

Pewaukee Pack 13 Parent, Leader, Committee Meeting Minutes: January 2018

January 22, 2018

Attendees: Tim, Chris, Brian, Robert, Steven, Shannon

Financial Update:

Financials have been updated to reflect actual expenditures for the January Pack events. However, not all reimbursements have been deposited and reflected.

Future Committee Meetings:

Dates have been reserved for the remainder of this school year at the PLE library at 6:30 pm 2/19, 3/19, 4/23, 5/21.

Website Update:

Calendar has been updated on both Google and ScoutTrack. Eric Damon is working on our new hosting service.

Blue and Gold:

Set for 2/15 at 6:00 PM Available Den leaders should arrive at 5PM to help set up tables. Supplies are currently in the supply shed at the VFW. We will provide a pizza and salad meal for all in attendance and therefore the Den leaders need to have an RSVP to Chris 1 week in advance for planning purposes. The time of the meeting has been moved up to 6:00pm for dinner and then at 6:30 pm we will move into the gym and start the Blue and Gold with announcements, awards, Crossover ceremony and a slideshow with cupcakes for all in attendance. Tim to contact Chris Tippery to see who will be in attendance. Den leaders to reach out and have all dues paid in full by Blue and Gold ceremony. Each Den will have a table and is encouraged to have photographs of the Den and any craft or project that they have been working on. Brian will bring all available Pack t-shirts to hand out to parents and new t-shirts will be made for next year. Chris Sobczak requests that next year we appoint a Blue and Gold Committee for better planning of this event.

March Pack Meeting:

March will be the Pinewood Derby and Scouting for Food. Tim will reach out to Brandon Otto to see if the car impound can be held on 3/10 as it is currently conflicted with the Scouting for Food event that he is also running. Pinewood Derby is scheduled 3/25 11am-2pm in the PLE gym. Friends of Scouting will be invited to the Derby so they can talk to the parents. Scouting for food is scheduled for 3/17 at both Pewaukee Pick and Sav locations. Brandon is also contacting Walmart to see if we can set up a table for donations there. Lisa Perchel-Gluth applied for and received a grant from Thrivent insurance for \$250.00 This money can be used to purchase signage or advertisement for Scouting for food. If there is any additional funds left over this can be used to purchase food for donation to the Food Pantry.

April Pack Meeting:

Chris has a contact for a gentleman that makes musical instruments with recycled and new materials. He will contact him to see about availability for the April Pack meeting. If he is unavailable then the alternative plan is to contact Mad Science for a demonstration. Chris to get back to the committee about the cost associated with these options.

May Pack Meeting:

Scheduled for 5/17 at the INR in Oconomowoc. Brian will coordinate this event again this year.
